

School year 2020/2021

yazveskin@yandex.ru

Many people were ill with covid-19.

The doctors treated patients with covid-19.

- we had online classes. I didn't like online classes because my computer was glitching.

- They lasted for 40 minutes

I was not bored because I had a cat.

I like my cat, his name is Tima. He was jumping and running . I played with my cat.

THANK YOU FOR ATTENTION!
